## Allianz Policy Endorsements.

### **LET0010-V1 Other Interest – BUILDINGS**

The Insured under the Buildings section are the persons named in the Schedule and Third party details as mortgagees and/or lessees.

### **LET002S-V1 Security – Minimum Security**

We will not pay for any loss or damage caused by Theft or attempted Theft due to the following requirements not being met:

1. The door used as a final exit from Your Home must be fitted with a suitable lock complying with British Standard 3621, or one of superior quality which We have approved.
2. All other external doors, unless secured as in 1. above, must be fitted with top and bottom mortice or surface mounted bolts with detachable keys.
3. Sliding patio doors must be fitted with key operated security locks at the top and bottom.
4. All external windows opening on the ground floor or opening and accessible on other floors must be fitted with key operated window locks.
5. All external doors, and windows in 4. above, must be secured using the above mentioned security devices whenever Your Home is left unattended and the keys withdrawn from locks.
6. When the household retires at night, all external doors and the windows specified in 4. above, except those in occupied bedrooms, must be secured with the security devices and the keys withdrawn from locks.

### **LET003C-V1 CONSTRUCTION**

This insurance is extended to include the main building of the home shown in the schedule which is not of standard construction.

### **LET003E-V1 Excess – Buildings is £NIL**

The reference to "The first £100 of each claim for each insured event other than Event 10, 16a and 16b" under WHAT IS NOT COVERED in section 1 Buildings is deleted.

### **LET005E-V1 Excess – Buildings is £250**

An increased excess of £250 applies to claims under section 1 Buildings other than for events 10, 16a and 16b.
